ABSTRACT

This almanac contains 20 tables on Oregon higher education financial aid developed with data that the Oregon State Scholarship Commission collected when it surveyed 71 institutions in the state in October, 1993. Other sources of information include files of the Oregon Federal Family Education Loan program, Federal Department of Education summaries of Pell Grant disbursements, reports completed by institutions, and telephone conversations with college financial aid office personnel. The bulk of the document consists of the tables displaying data. Two opening summary tables provide data on programs, amounts, and types of assistance; and sources of assistance and basis of awards. Two graphs show reported disbursements by segment and type of program and state-wide disbursements by type of program. The following tables show program disbursements by institution and segment for major sources of aid (need-based programs, no-need programs, military programs, state need-based programs), major self-help programs (federal and state loans, students employment, and long-term institutional loans), and other sources of aid (miscellaneous aid, grants, programs, and programs external to institutions). Other information is on staffing of financial aid offices, proportions of undergraduates assisted, total enrollment/proportion aided, total aid awarded, and aid dollars per student. A glossary is included. (JB)

GLOSSARY 33

INTRODUCTION

SOURCES OF INFORMATION

In October 1993, the Oregon State Scholarship Commission (OSSC) mailed a questionnaire to each Oregon postsecondary institution participating in State of Oregon or Federal "Title IV" student financial aid programs. Institutions were asked to identify the sources of student financial aid that funded their students in 1992-93, and to provide numbers of awards and amounts disbursed for each source. Responses (some incomplete) were received from 71 of 99 institutions surveyed. Responses by segment were as follows:

State System Colleges and Universities:	8 of 8	(100%)
Community Colleges:	13 of 13 [1]	(100%)
Independent Colleges	25 of 25	(100%)
Proprietary Vocational Schools:	35 of 53	(66%)

In addition to the OSSC questionnaire, sources of information for this document included the following: the files of the Oregon Federal Family Education Loan Program, Federal Department of Education summaries of Pell Grant disbursements, Federal FISAP REPORTS completed by institutions participating in the "campus-based" programs of the U.S. Department of Education, and telephone conversations between OSSC staff members and financial aid office personnel at institutions.

INCOMPLETE RESPONSES

There are gaps in the data. The most common problem is that some institutions provide amounts disbursed, but not the corresponding number of students aided. For this reason, segmental and statewide counts of students aided are not available for some programs, and average awards can be calculated only for institutions that supplied all of the relevant information.

Readers who have questions about this information or suggestions about future editions of *The Oregon Financial Aid Almanac* are encouraged to contact Thomas Turner at the offices of the Oregon State Scholarship Commission.

[1] Financial aid disbursed by Portland Community College includes funds for students attending Columbia Gorge Community College, Oregon Coast Community College, and Tillamook Bay Community College.

GLOSSARY

ALASKAN STUDENT LOAN: This program is similar to the Federal Stafford Loan Program, but is open to only residents of Alaska. Loans are guaranteed by the State of Alaska, rather than the U.S. Department of Education.

ALT LOANS (see "Alternative" Loan Programs)

"ALTERNATIVE LOANS": These are non-need-based loan programs from a variety of lending organizations. Borrowers (frequently parents, rather than students) must be credit worthy. Large loans ($20,000 or more annually) are possible, interest is charged at market rates from the beginning of the loan period, and repayment is not necessarily deferred until after the in-school period.

BIA (see Bureau of Indian Affairs)

BUREAU OF INDIAN AFFAIRS SCHOLARSHIPS: These are grants of Federal funds made to Native American students based on the tribal affiliation of the individual. Awards are administered by regional offices of the Bureau of Indian Affairs, and specific eligibility criteria may differ between regions and tribes.

BYRD SCHOLARSHIP (see Federal Robert Byrd Honors Scholarship)

CASH AWARD (see Oregon Cash Award)

CWS (see Federal College Work-Study Program)

ECONOMIC SELF-SUFFICIENCY FINANCIAL AID PROGRAM: This State of Oregon program makes it possible for community colleges to award grants to students in non degree programs who are *not eligible* to participate in major State and Federal student financial aid programs.

ESSFA (see Economic Self-sufficiency Financial Aid Program)

FEDERAL COLLEGE WORK-STUDY PROGRAM: This employment program is administered by the U.S. Department of Education and participating institutions. Awards are need-based and are open to graduate students as well as undergraduates. Employers may be participating institutions or off-campus agencies. Student wages are a mixture of Federal allocations and employer dollars.

FEDERAL FAMILY EDUCATION LOAN (FFEL) PROGRAMS: This is the name for a complex of Federal student loan guarantee programs administered cooperatively by private lenders, local gurarantee agencies, and post-secondary institutions (see Federal Stafford Loan, Federal PLUS Loan, and Federal SLS Loan)

FEDERAL HEALTH EDUCATION ASSISTANCE LOAN (HEAL) PROGRAM: This is a need-based Federal program similar to the Federal Stafford Loan, but open only to graduate and professional students in health professions fields. Students borrow from banks and other commercial lenders. Repayments commence after the end of the in-school period. Interest at market rates accrues throughout the

life of these loans.

FEDERAL HEALTH PROFESSIONS DISADVANTAGED STUDENT SCHOLARSHIP: This Federal program is administered by the U.S. Department of Health and Human Services and participating institutions. The program is open to students of medicine, dentistry, and osteopathic medicine who demonstrate extreme financial need *and* come from disadvantaged backgrounds.

FEDERAL HEALTH PROFESSIONS EXCEPTIONAL FINANCIAL NEED SCHOLARSHIP: This Federal program is administered by the U.S. Department of Health and Human Services and participating institutions. Awards are open to first-year students of medicine, dentistry, optometry, and veterinary medicine demonstrating extreme financial need.

FEDERAL HEALTH PROFESSIONS LOAN PROGRAM: This Federal program is administered by the U.S. Department of Health and Human Services and participating institutions. Awards are open to students of medicine, dentistry, optometry, and veterinary medicine. This program is similar in structure to the Federal Perkins Loan Program.

FEDERAL NURSING LOAN PROGRAM: This "campus-based" Federal program is administered by the U.S. Department of Health and Human Services and participating institutions. The program is need-based and open only to students of nursing. This program is similar in structure to the Federal Perkins Loan Program.

FEDERAL PAUL DOUGLAS CONGRESSIONAL TEACHER SCHOLARSHIP/ LOAN PROGRAM: This is a Federal program administered in Oregon by the Oregon State Scholarship Commission. Awardees must demonstrate high levels of academic merit and must state the intention to pursue teaching at the elementary or secondary level as a career. Awards are not based on need. Awards are technically loans, but they do not have to be repaid if the recipient teaches two years for each year in which an award was received.

FEDERAL PELL GRANT: This Federal program administered by the U.S. Department of Education provides grants to extremely needy undergraduate students.

FEDERAL PERKINS LOAN PROGRAM: This "campus-based" Federal program is administered by the U.S. Department of Education and participating institutions. Awards are need-based and open to graduate students, as well as undergraduates. Participating institutions make loans to students from a recirculating fund made up of annual Federal contributions, institutional matching funds, and repayments (with interest) from prior borrowers at the institution. Loans are collected by the institutions.

FEDERAL PLUS/SLS LOAN PROGRAMS: These Federal programs are variants of the Federal Stafford Loan Program for independent undergraduates, graduate students and the parents of dependent undergraduates. Loans under these programs are not based on need. The Oregon State Scholarship Commission is the "guarantee agency" for most Oregon lending institutions. Numbers and dollars in the summary reflect student borrowing through all guarantee agen-

cies, not merely loans guaranteed by OSSC.

FEDERAL ROBERT BYRD HONORS SCHOLARSHIP: This Federal program is administered in Oregon by the Oregon State Scholarship Commission. Awards are renewable academic merit scholarships of $1500 for graduating high school seniors.

FEDERAL STAFFORD LOAN PROGRAM: This is a Federal program administered by the U.S. Department of Education. Through this program are made to undergraduates and graduate students. Loan may be need-based ("subsidized") or not based on need ("unsubsidized"). Students borrow from banks and other financial institutions. Loans are guaranteed against default by the Federal government. The program is administered locally by designated "guarantee agencies," which buy defaulted loans from lenders, and are then reimbursed by the U.S. Department of Education. Loans in good standing are collected by the lenders or subsequent holders of the notes (loans may be sold). Defaulted loans are collected by guarantee agencies. The Oregon State Scholarship Commission is the guarantee agency for most of these loans in Oregon. Loan numbers and dollars in the summary reflect student borrowing through all guarantee agencies, not merely loans guaranteed by OSSC.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT PROGRAM: This is a "campus-based" Federal program administered by the U.S. Department of Education and participating institutions. Awards are need-based and open to undergraduates only. Pell Grant recipients with remaining financial need are given priority in the awarding process for this program.

FFEL LOAN PROGRAMS: (see Federal Family Education Loan Programs)

FOREIGN SCHOLARSHIPS: Awards in this category are miscellaneous grants and scholarships from governments, individuals and organizations outside of the United States.

G.I. BILL (see Veterans benefits)

GRANTS FROM AGENCIES IN OTHER STATES: These are awards made to students at Oregon colleges by agencies in other states comparable to the Oregon State Scholarship Commission.

HEAL (see Federal Health Education Assistance Loan Program)

HP DIS (see Federal Health Professions Disadvantaged Student Scholarship)

HP EFN (see Federal Health Professions Exceptional Financial Need Scholarship)

INSTITUTIONAL LOANS: These are loans from miscellaneous institutional sources which are to be repaid after the student is no longer enrolled at the institution.

INSTITUTIONAL GRANTS: Grants in this category are administered by institutions from sources such as endowment earnings and general operating funds.

INSTITUTIONAL STUDENT EMPLOYMENT: Wages in this category are funded wholly by institutional sources.

INSTITUTIONALLY CONTROLLED EXTERNAL GRANTS: Grants in this category are funded by sources outside of the institution, with awardees chosen by the institution, not the donor of the funds.

NATIVE AMERICAN TRIBAL SCHOLARSHIPS: These are grants made available by individual tribal organizations. Eligibility criteria may differ between tribal organizations.

NDSL (see Federal Perkins Loan Program)

NEED GRANT (see Oregon Need Grant)

NEED ANALYSIS: This process is used to estimate a student's need for financial assistance to help meet educational expenses. Need analysis systems typically consist of two components: a) a determination of the applicant's ability to contribute toward educational expenses on an annual basis; and b) an estimate of the annual educational expenses themselves.

NEED-BASED: This is a term used to describe awards that include "need analysis" as one of the primary selection criteria.

NO-NEED: This is a term used to describe awards that do not include "need analysis" among the selection criteria.

NON-GOVERNMENTAL GRANTS AND SCHOLARSHIPS: This category includes miscellaneous grants and scholarships from private organizations that make their own award determinations (institutions do not participate in the selection process).

OREGON STATE SCHOLARSHIP COMMISSION: The State of Oregon agency assigned with administrative responsibility for state-funded student financial aid programs such as the Oregon Need Grant. The agency is also authorized by the U.S. Department of Education to be a "guarantee agency" in the Federal Stafford Loan and Federal PLUS/SLS Programs.

OREGON NATIONAL GUARD SCHOLARSHIP: This state-supported program is open to undergraduate students who are members of the Oregon Army National Guard and Oregon Air National Guard attending public and private non profit 2-year and 4-year colleges in Oregon. Awards are not based on need.

OREGON NURSING LOAN: This program administered by the Oregon State Scholarship Commission makes "forgivable" loans to undergraduate nursing students in Oregon. One year of the loan is forgiven for each year of qualifying rural practice in Oregon.

OREGON NEED GRANT PROGRAM: This program is administered by the Oregon State Scholarship Commission from funds appropriated by the Oregon Legislature. Awards are for students with great need, and vary according to institutional costs. Awardees must be residents of Oregon and must be attending public or private non profit institutions located in Oregon.

OREGON MEDICAL/DENTAL/NURSING/VETERINARY LOAN PROGRAM: Administered by the Oregon State Scholarship Commission, this need-based loan program uses funds from the Oregon Division of State Lands to make loans to students in

relevant programs at Oregon Health Sciences University.

OREGON CASH AWARD PROGRAM: Administered by the Oregon State Scholarship Commission from funds appropriated by the Oregon Legislature, this renewable grant program makes awards based on academic merit and need. New awardees are chosen from graduates of Oregon high schools each year, and must attend public or private non profit colleges in Oregon.

OREGON WICHE (see Western Interstate Commission on Higher Education Program)

OREGON TEACHER CORPS SCHOLARSHIP/LOAN: This is a program administered by the Oregon State Scholarship Commission from funds appropriated by the Oregon Legislature. Awardees are teacher certification candidates at Oregon colleges who are academic high achievers. Eligibility is not based on need. Priority is given to qualifying students seeking certification in "scarce endorsement" subject areas, minority students, and students who intend to teach in remote, hard-to-serve localities in Oregon. Awards are technically loans, to be repaid with interest, but awardees who teach in Oregon for three out of the five years following certification will have their loans canceled.

OREGON BARBER AND HAIRDRESSER GRANT PROGRAM: This program administered by the Oregon State Scholarship Commission is open to students of cosmetology and barbering at participating institutions in Oregon. Funding is through a state-administered endowment created from funds (licensing fees) made available by the Oregon Barber and Hairdressers Board.

OSSC (see Oregon State Scholarship Commission)

OTHER EXTERNAL PROGRAMS: This category is for sources of financial aid funds that do not fit in any of the other categories listed.

PESIC (see Purchase of Educational Services from Independent Colleges)

PURCHASE OF EDUCATIONAL SERVICES FROM INDEPENDENT COLLEGES: This program reimburses some independent colleges in Oregon for a portion of the costs associated with the education of Oregon resident undergraduates. Funds must be used by participating colleges for grants to needy Oregon undergraduates.

RESERVE OFFICER TRAINING CORPS AND OTHER MILITARY SCHOLARSHIPS: Listed in this category are awards from any of several scholarship programs open to students participating in ROTC or enlisted in a branch of the military services of the United States.

ROTC (see Reserve Officer Training Corps)

SEOG (see Federal Supplemental Educational Opportunity Grant Program)

TUITION AND FEE REMISSION PROGRAMS: This category includes institutional programs that provide free tuition and fees to eligible students. Graduate students frequently receive tuition and fee remissions in exchange

for teaching services, and independent colleges sometimes provide tuition remissions for undergraduate students who are children of employees of the institution.

UNDUPLICATED STUDENTS: In an environment where many students receive awards from more than one program, the "unduplicated number of students" is the number of individuals aided through all combinations of listed programs and sources.

VETERANS BENEFITS: This category includes several programs of the U.S. Department of Defense which provide monthly stipends to veterans enrolled in postsecondary institutions. Awards are not based on need and may include funds withheld from the salary of the individual while on active duty.

VISTO: (see Volunteers in Service to Oregon)

VOLUNTEERS IN SERVICE TO OREGON: Through this program Oregon youth (16 through 19 years of age) can earn tuition vouchers through approved volunteer community service activities. Participating volunteers earn a $25 tuition voucher for every eight hours of qualifying service. VISTO vouchers may be redeemed at Oregon colleges and trade schools eligible to participate in Federal student financial aid programs.

WESTERN INTERSTATE COMMISSION ON HIGHER EDUCATION (WICHE) PROGRAM: This is a program in which member states make grants to their residents attending out-of-state colleges and independent colleges for professional programs (law, medicine, etc.) not offered by their own public colleges and universities. Participants who are out-of-state students at public colleges and universities receive grants for tuition costs in excess of those charged by public colleges in their home states. Students at independent institutions receive grants equal to one-third of tuition costs. For the purposes of this publication, "WICHE" refers to benefits paid to out-of-state students attending Oregon institutions, while "Oregon WICHE" refers to benefits paid to Oregon residents attending independent colleges in Oregon.
